Doggy Pedicures

One of our volunteers, Michelle of Pawlicious Grooming, will be on-site at our event and will be doing **nail trims for only \$8!**

Pennies For Puppies

Did you know that three 8-ounce coffee mugs full of pennies will almost cover the annual vaccinations for one dog?

So, check your pockets and underneath the sofa cushions and see if you can spare some change to help change the life of a rescued beagle!

Fabulous Door Prize!

Anyone coming by our event for a nail trim, raffle tickets, or to drop off a Cans for Canines or Pennies for Puppies donation will be able to enter into a drawing for a chance to **win a free training class at Full Circle Obedience!** This is a \$110 value!

We'd like to send a big THANK YOU to Full Circle for this donation, as well as allowing us to use their building for our event!

Raffle Items

We have several great raffle items... You can either buy tickets at the event, or visit www.okbr.org/raffle to view all the items and purchase tickets online!

Cans For Canines

Since it is starting to get warmer, we figured people will be using more canned drinks to help keep them cool - so we're hoping you'll help us by saving those aluminum cans so that we can have them recycled.

For every 100 cans we collect, the money from recycling will almost cover a monthly heartworm treatment for one of the dogs!

Meet & Greet

We will have several of the OKBR dogs on-site for Meet & Greets. Come by and see some of the dogs available for adoption and to learn more about adopting a beagle or becoming a volunteer!
